

### Dear Parents and Students,

As you know, the School is often reinforcing the E-Safety guidelines through its circulars, I.T.Lessons and questionnaires with the fact that all our students are relying on internet most of their time for their learning activities. As parents, you are also well conscious of the safety areas of their cyber use.

Please respond to the related survey in the following link well on or before 29.10.2020, 09.00 pm.

Parent Survey:
