

COMMUNITY SERVICE POLICY

1. Community Service is an activity that is performed by individuals or as a group for the benefit of the institution / self and the community. It may be done for a variety of reasons
2. Students are required to perform 30 community service hours to graduate from high school.

Education is vital to a healthy and successful life. KG to Grade 12 programs help build a solid foundation for our children's future.

Policy Statement:-

Work experience, which can also include volunteer or community service is a component of graduation.

Rationale or purpose of policy:-

This policy explains the importance of community service. The requirement recognizes the importance of experimental learning and the importance of extending education beyond the classroom into the community. Work experience, including volunteer or community service, supports students in both their career development and their human & Social development. This type of experiential learning increases the relevance of school by helping students connect what they learn in the classroom with the skills, knowledge and attitudes needed to be successful in both the workplace and the community.

Procedure related to policy :

To meet the minimum requirement for the work experience or volunteer or community service for graduation, students must provide evidence. The evidence must include an evaluation report, or signed form from a community agency or organization. The evidence must describe the nature of the work or service performed by students and must also report on tasks and duties performed and identify the skills used.

NIS will be of service to the Community by :-

- Providing a rich, cultural environment for staff and students consciously spread into the community.
- Promoting educational, academic and cultural values in the general community,

- Responding to reasonable community needs and expectations consistent with the goals and objectives of the school.
- Establishing and supporting avenues for community service by staff and students of NIS.
- Seeking co-operative and joint endeavours with other schools and other providers of education and training, arts, sporting and cultural organizations in the community
